RE:

Well Permit Application for Modification

Cerullo M01H-M04H, M09H-M12H

Dear Sir/Madam:

The purpose of this application is to modify the existing permit for the Cerullo wells listed above. There are no modifications to these permits. We are re-permitting due to drilling schedule changes. If you have any questions or need more information, please contact me at 412-865-2417 or lsavage1@chevron.com.

Sincerely,

Laura Savage

HES Specialist - Regulatory Permitting

Chevron Appalachia, LLC

COMMONWEALTH OF PENNSYLVANIA DEPARTMENT OF ENVIRONMENTAL PROTECTION OFFICE OF OIL AND GAS MANAGEMENT

PERMIT APPLICATION TO DRILL AND OPERATE AN UNCONVENTIONAL WELL

Please read instructions before you begin filling in this form.

CO	ORDINATION WITH REGULATIONS AND OTHER PERMITS (cont'd)	Yes	No				
3.	Will the vertical wellbore section penetrate or be within 3,000 feet of an active gas storage reservoir boundary?		\boxtimes				
	a. If Yes, print the names of: Storage Field: Operator:						
4.	Is the proposed well location within the permitted area of a landfill?		\boxtimes				
5.	Will the vertical wellbore section of the unconventional well be drilled within 500 feet from any existing building or an existing water supply?	r 🔲					
	a. If "Yes," is written consent from the owner attached?						
	b. If written consent is not attached, is a variance request (form 8000-FM-OOGM0058) attached?						
5.1.	. Will the vertical wellbore of the unconventional well be drilled within 1,000 feet from any existing water well, surface water intake, reservoir or other water supply extraction point used by a water purveyor?		\boxtimes				
	a. If "Yes," is written consent from the owner attached?						
	b. If written consent is not attached, is a variance request (form 8000-FM-OOGM0058) attached?						
6.	Is this permit application for a well that will be drilled on a well site for which construction was completed prior to April 16, 2012?						
	a. If "Yes," was there a permitted well at this well site prior to April 16, 2012?						
8	b. If the answer to question no. 6a is "Yes", provide the US Well Number (API No.) of the well permitted at this site prior to April 16, 2012.	; 🗆					
7.	Will the well be located where it may impact a public resource as outlined in the "Coordination of a Well Location with Public Resources" form 8000-PM-OOGM0076? If yes, attach a completed copy of the form.						
8.	Will any portion of the well site be in a Special Protection High Quality [(HQ) or Exceptional Value [(EV) watershed? Provide name of special protection watershed		\boxtimes				
9.	Is this well part of a development which requires an Earth Disturbance Permit for Oil and Gas Activities disturbing more than 5 acres? If yes, list the number of the ESCGP approval if the permit has been issued. ESX18-051-0004						
10.	Is the well to be located within a H ₂ S area pursuant to §78a.77a?						
11. Attach a current Ownership & Control form 8000-FM-OOGM0118 with the first application submitted after the effective date of the final "Environmental Protection Performance Standards at Oil and Gas Well Sites" rulemaking, or if there have been any changes to parent and subsidiary business corporations.							
Signature of Applicant The person signing this form attests that they have the authority to submit this application on behalf of the applicant, and that the information, including all related submissions, is true and accurate to the best of their knowledge.
