RE: Notification of Well Permit Application Coastal 2H Springhill Township, Fayette County, PA

To Whom It May Concern,

This notice is to inform you of INR's intent to submit an application for coverage under the Pennsylvania Department of Environmental Protection (PADEP) Permit to Drill and Operate an Unconventional Gas Well in Springhill Township, Fayette County, Pennsylvania. This application will be submitted for the Coastal 2H well, located at 2444 Springhill Furnace Road, Lake Lynn, PA 15451 off the Coastal Well Pad.

This notification is being sent to you because you fall under one of the following, or any combination thereof, as indicated on the enclosed well plat: (Surface Landowner / Surface Landowner & Water Purveyor with water supplies within 3,000' / Coal Owner / Coal Operator / Municipality / Adjacent Municipality). This notification is a required part of the permitting process. If you are the owner of a private water well or water supply within 3,000' of the well location, you will be contacted about sampling your water by a DEP certified laboratory prior to the commencement of drilling.

No further action from you is required. However, if you have any questions or need any additional information, please reach out to me by any of the contact methods listed below.

Respectfully Submitted,

Tish Brown
