RE: Stewart Well Pad
Luzerne Township, Fayette County

Dear Sir/Madam:

Please accept this letter as a formal request for an exemption from the 1000' spacing requirements found in Act 214, Section 7(b), for the above referenced permit.

Also included is a letter from the coal owners approving the location of the well and recognizing that this well will be less than 1000' from an existing well.

Sincerely,

A handwritten signature in blue ink, appearing to read 'BW', written over a blue horizontal line.

Dear Sir/Madam,

As per the Oil and Gas Act 214-507, the above referenced wells require a waiver of the 1000 ft. distance from another well. We are requesting an exception from the minimum 1000 feet distance requirement of subsection (a) of this act where the permit applicant and the owner of the workable coal seam consent in writing.

Sincerely,

A handwritten signature in blue ink that reads "Kristen Brooks".
