Ms. Carney,

The Department recently received the attached Notice of Intent to Plug for the A.G. Miller Est. (Sara Gorley) well API number 051-20054. The coordinates provided on the form -79 55' 00", 39 57' 30" do not correspond with the location of a known well and they differ from the location of this well in our database. Could you please provide an accurate coordinate for the A.G. Miller Est. (Sara Gorley) well?

Thank you,

Heather
