<b>Future Use of the Well</b>	Describe a viable plan, in accordance with 25 Pa. Code § 78.102(4), explaining the intended future use of the well within a reasonable time. Use additional sheets if necessary. Provide the information requested below and any other information necessary for DEP to make a determination on inactive status for this well.
-------------------------------	--

Provide certification that one of the following applies (check one):

☒ Significant reserves remain in place and I plan to return the well to production.

The well will be used for: ☐ Disposal ☐ Storage ☐ Observation ☐ Injection - Recovery ☐ Other (describe)

**This well will be returned to use in: Month: October**

**Year: 2020**

State your plan for future use of the well.

LPR began production on nearby wells earlier this year. The results of these wells will help to evaluate the economics of building a pipeline to the Humberston Well Pad. If the economics do not support the cost of building the pipeline infrastructure then we will proceed with Plugging and Abandoning the well.
